Any Paraprofessional whose rate of pay does not increase as a result of his/her lane movement will receive .30 per hour increase as longevity pay. Experience for full-time and part-time Paraprofessionals shall be determined from their most recent date of hire. This date is used to determine the seniority list. Each full-time or part time Paraprofessional shall be given (1) year experience for the year in which they are hired upon the completion of that school year. After the completion of the school year in which they are hired, the Paraprofessional will be eligible to receive the hourly increase at the beginning of the next school year.
